WasteCare: Data Factory-Reset Guide

WASTECARE
SAVE GREENER PLANET

Important: Please follow these steps to protect your privacy before recycling your device :

For Smartphones (Android & iPhone) :

- Back Up Your Data: Ensure your photos and contacts are synced to Google Drive or iCloud.

Remove Accounts: -

Android: Go to Settings > Accounts and remove your Google Account.

iPhone: Go to Settings > [Your Name] and Sign Out of iCloud/Find My iPhone.

Remove Physical Storage: Take out your SIM Card and MicroSD Card.

Factory Reset:

Android: Settings > General Management > Reset > Factory Data Reset.

iPhone: Settings > General > Transfer or Reset iPhone > Erase All Content and Settings.

For Laptops (Windows & Mac) :

Backup: Transfer files to an external hard drive or cloud storage.

De-authorize Apps: Sign out of browsers, iTunes, and Microsoft Office.

Factory Reset:

Windows 10/11: Settings > System > Recovery > Reset this PC. Select "Remove everything" and "Clean the drive" (this takes longer but is more secure).

Mac: - Intel Mac: Restart and hold Command + R to use Disk Utility.

Apple Silicon (M1/M2/M3): Shut down, hold the Power button for startup options, and select "Erase Mac."
